

Merry Christmas, Patrons!

As the we prepare to celebrate the Christmas season, we look back with gratitude on this past year at the Northwest Patrons. Thanks to your generous support, the Statue of Aura restoration was completed and work on the Bramante Staircase is nearing completion.

Looking ahead, we are excited to see what projects the 2020 Wishbook will include, and look forward to funding more restorations in the Vatican Museums in the upcoming year.

We once again thank you for your generous contributions, and we look forward to another wonderful year.

Many blessings this Christmas to you and your families

Vatican Museums opens exhibit with newly restored Renaissance Marian paintings

The Vatican Museums recently opened an exhibit featuring restored paintings of the Virgin Mary by early Renaissance painter Carlo Crivelli. Among the paintings featured is the above painting Madonna and Child with Saints. The exhibit is titled "Crivelli's Gold," and will be on display at the Vatican's Pinacoteca Museum until January 21, 2020.

These restorations were made possible, in part, with the help of the Patrons of the Arts. See the link below to read the full report.
